General Information

Short summary

A 37-year-experienced SME which manufactures motorbikes accessories such as comfort saddles, tank mats, rider and motorcycle luggage, aprons and sleeves is searching for new suppliers, especially specialised in eco-friendly innovative textiles

Full description

The France-based company offers accessories for travel and mobility on motorbikes : comfort seat, tank covers, rider and motorbike luggage, aprons and sleeves.

The brand culture of the SME implies that products :

- are comfortable to use. They improve the trip or the journey of our customers
- perform their functions in daily use and keep their promises. Trust pact with our customers
- have a promise of quality, even if they're used every day

The sought partner should be able to produce accessories for motorcycles riders and for motorbikes such as:

- Backpack
- Motorbikes Tank Bags, Seats Bags
- Cover legs for scooters or Motorbikes
- Muff
- Diverse small accessories bags

Design :

The French company will supply the design and technical file with all details of the product to produce the EI (prototype) that will be validated by its engineering team.

Raw Material :

The partner will have to supply all the components for manufacturing the products according to the French company's engineering technical file, which means accessories and raw materials.
