General Information

Short summary

Swedish equestrian education center located in central Sweden is searching for a manufacturer of horse and equestrian products including horse blankets, lunging lines, and bags. Manufacturers located within the EU and with adequate experience and expertise are of interest.

Full description

The company was founded by a couple in central Sweden, one of them being a former professional equestrian. Today, they offer training, education, and accommodation for equestrians and their horses.

Along with current business offer, the client aspires to launch and offer self-branded products, more specifically horse rugs, lunging lines, and bags. Hence, the client is searching for a suitable manufacturer/supplier for these products, preferably within the EU. Since these types of products requires manufacturing expertise, client is looking for manufacturers/suppliers with solid experience and expertise in manufacturing these types of products.

Product specifications:

- Horse rugs offered in varied sizes and made of mesh fabric.
- Lunging lines measuring about eight meters.
- Bags made of nylon fabric (like fabric in toiletry bags).
